4. Awards will be paid directly to the educational institution, in the student's name.
5. Applications will be weighted based on a combination of merit and financial need.
6. Award winners will receive a complimentary student membership to the Maryland Nursery, Landscape and Greenhouse Association, for one year. The student will also receive complimentary admission to MNLGA-sponsored events during that year.

Application:

Students may apply by submitting an application packet by May 15th, to be given consideration for the following academic year, beginning with the fall semester. The application includes: a cover letter, resume, transcript, and two letters of recommendation. A four-member committee - two MNLGA board or staff members, and two individuals from the industry, will evaluate the applications. Results will be announced in July. Recipients will be invited to attend the MNLGA's annual membership meeting, held during the Mid-Atlantic Nursery Trade Show, in January, to receive recognition.
